## **CPL. Brian M. Kennedy** **Port Clyde**

**Kennedy was a Marine through and through, thrilled to be helping liberate Iraq. "Our son and brother proudly volunteered to serve in the U.S. Marine Corps," said his father, Mark Kennedy.**

**He graduated from high school in 1995 in Glenview, Ill., then attended Purdue University before transferring to Texas Tech University in 1998. He enlisted in 1999 and was stationed at Camp Pendleton, Calif. His father went to San Diego to see him before he shipped out about six weeks ago, and had been in touch with him overseas.**
